#### PRESIDENT'S **MESSAGE**

Nick. G. Karres

Dear member and friends of the Adelphoitis

This past year, the Adelphotis held its three traditional events.

Last August 16, 2015, the annual feast in Karyes Park (Gastonia). Over two hundred people came to the event. We had visitors from as far as California. Indeed, Ms. Ethel Davis from San Francisco, California bought a ruffle ticket and won the big prize of \$ 5,000 and generously donated her winnings back to the Adelphotis. Father Stephen Dubler from the St Nectarios Church in Matthews, North Carolina, led the church service and the Memorial Service, as we honor those patriotes, who we have lost over the past year. We took the commemorative photograph of all those that attended the event. Everyone enjoyed the lunch that was served at the Jim kastanas Dining Hall. Last year President of the Karyae Benevolent Foundation, Pano J. Stathakis was our main speaker. Desserts that were ,ade by our loyal ladies, were enjoyed by everyone. A disk jockey played Greek music along with traditional Araochovitan songs, that were danced by Arachivites, young and old.

On Sunday, March 8 2016, 80 people came to Makaronatha.

The Saint George Picnic was held on Sunday, May 8, where 70 people came. It was a pleasant surprise that George P. Kolovos from Los Angeles, California came along with his wife Tina, his daughter, son-in-law and grandson. He spoke to all of those that attended and he was heartened to see many of his friends that he grew up with in the village. He also made generous donation to the Adelphotis.

In early 2016 the Adelphotis lost a beloved member, Pete J. Mahairas. He was a devoted member ever since he came to the US from Arachova. He served as president and worked many years for the Adelphotis. He loved all Arachovites, which he proudly called "my people". And he loved the Adelphotis. He endured dialysis for 12 years, yet he came to all the events that he could with his wife, Dina. We will all miss his passion for the Adelphotis and we will all miss him.

In closing I would like to thank the Board members and those members that contribute to the Adelphotis. We are blessed to have many dedicated members, who love the Adelphotis, just like Pete Mahairas did.

#### Sotirios Theod. Floris (years 96)

died on January 12, 2017 in Tripoli and was buried on 13 January in Karyes

APOCHARELISMOS (the daughter of Ms. Litsas Floris) A Driver's Final Journey...

Today we bid farewell to Sotirios "Sotos" Floris, our adored husband, father, brother, grandfather, friend and countryman on his final journey. We reflect on the life of a truly great man and the moments we shared together. A distinguished man who lived his life with great dignity and infinite strength.

We remember his kind heart and generous spirit – his love of his fellow man, his laughter and great sense of humor. He was the life of the party. We celebrate his strength and his passion for life, a better life, one that he preserved to achieve.

Born 96 years ago in the tiny village of *Karyes*, which held his heart until today, he was one of five children that together would survive everything. A lover of all things - nature, music and discovery lead him to the wheel of a bus – where his legend would begin... With laughter, music and storytelling he transported his countrymen and women, family and friends, from place to place, with a smile on his face and love in his heart. Making the journey always memorable and perhaps softening one's reality even for a brief moment.

His love of his birth place was evident in the many terms that he served as President of his village, working diligently and tirelessly to improve his beloved community and bringing joy always to young and old alike. As many might remember, on one special Christmas he used his battery from his bus to light up the town square Christmas tree (an anecdote that he very much enjoyed telling). His love always surpassed his immediate circle and he could always be counted on in one's time of need.

His work ethic was unparalleled, a true family man who always put his family first. What some might not know is that the best part of his trip was always coming home to his beloved wife of sixty five years, Georgia, and beautiful daughters Litsa and Lena.

His love of community extended far beyond the village starting with the neighboring village "Geraki" that stole his heart and expanded to the "Big Apple" where he watched his grandchildren grow up: learning how to speak English and use the subway system with his eldest and first grandson, Stratos, shopping with Vivia at Bloomingdales and enjoying lunch at *Forty Carrots*, joyously applauding at Eirini's ballet recitals, and watching airplanes with his youngest grandson Manolis, who would then become a pilot and follow in his footsteps.

Papou, we want to thank you for your unconditional love and sing softly to you, one of your favorite choruses, "Γεια σου μάγκα σ' αγαπώ", and to tell you that you will always be the driver of our hearts and minds, watching us from above and guiding our footsteps.

Αιώνια μνήμη –May your memory be eternal.

Sotirios Floris is survived by his wife Georgia Floris, daughters Litsa Floris and Lena Maninakis, his sister, Dimitra Matsoukas, his four grandchildren and two great grandchildren.
